THE EXCEPTIONAL

By Sutcliffe & Son

small batch scotch whisky

Significant and authentically distinctive small batch Scotch Whiskies blended by Willie Phillips, former managing director of The Macallan. Others blend for constant consistency; **THE EXCEPTIONAL's** whiskies are genuinely individual, both qualitatively and stylistically.

The malt and grain Whiskies are from aging barrels, some of them **over 30 years old**, carefully selected at the finest distilleries. All releases are finished in **first-fill sherry casks**.
