

# MEZCAL ALIPUS

ARTISAN MEZCAL FROM  
FAMILY DISTILLERIES IN  
REMOTE OAXACAN PUEBLOS

## SAN MIGUEL DE SOLA

Fermented in pine vats. Distilled in clay potstills by Don Leonardo Rojas in Potrero, using agaves Espadín and Arroqueño grown at about 6000 feet in steep, thin, and ferriferous soil.  
Complex, rich, intensely floral.
